

Living with Alzheimer's: For Late-Stage Caregivers

LIVING WITH ALZHEIMER'S FOR CAREGIVERS

When someone is diagnosed with Alzheimer's, friends and family have many questions. This program offers the opportunity to learn about the late stage of Alzheimer's disease and related dementias, and offers information needed to provide optimal end of life care. We'll address:

- Symptoms associated with late-stage Alzheimer's
- Communication changes
- Working with the doctor
- Resources available for care
- Moving the individual into a facility
- Monitoring facility care
- End of life issues and palliative care

September 29, 2015 • 12-3 p.m.

Tompkins County Office for the Aging
214 West State Street, Ithaca

Registration required

Register by calling 607-274-5492

*Advance registration is required at least 5 days before the program date. Unfortunately, programs with minimal registrations will be cancelled. If you do not register, you are still welcome to attend, but please call **800-272-3900** to confirm that the program is still scheduled.*
