

**Crisis Liaison Group  
March 10, 2015  
Meeting Notes**

A core group of five will meet regularly with the chief. This group will also be informed immediately when a crisis arises and will be kept informed as the situation unfolds.

**Questions about the Liaison Group:**

- Who are the five community members and how will they be decided?
- How do they report to the community? (e-mail, facebook, press?)
- When do they report? (Update after regular meetings? During a crisis only?)

**Some ideas this group had for the Relationship Building group:**

- Prevention: create program with real interaction between students and police – basketball trips, mentorings, art, being part of talent show skit.
- Police, teens, families, community cook-off, police officer build new organization – finding common ground
- Police and community write mission
- Police create scholarship fund for teen who turned themselves around
- Streets Alive – cops and kids work together/bike ride
- Swim teams, canoe teams, debate team, reading groups
