

## PLEDGE OF SUPPORT

The T-Free Zone program encourages a community environment where:

- (1) the air is smoke free,
- (2) smokers who want to quit have a better chance to succeed, and
- (3) teens and young adults have a better chance to be and stay tobacco free.

**To support a healthier community today and so the next generations may be smoke free;**

**I (We) Pledge a Commitment To:**

(✓ Check all that apply)

### (1) Provide smoke free outdoor areas

By establishing T-Free Zone(s):

- At our main entrance.
- At exits, docks and service doors.
- At outdoor picnic and pedestrian areas.

### (2) Support smokers who want to quit

By having information or resources about quitting smoking:

- Available for employees.
- On display for clients or customers.

### (3) Discourage underage purchase *and* encourage youth to stay tobacco free

By taking one or more steps to reduce or rearrange point-of-sale advertising:

- Minimize the number and size of tobacco ads and signs visible from *outside* the store
- Minimize the number and size of tobacco signs and promotions displayed *inside* the store
- Eliminate signs within 5 ft. of candy or toys, and lower than 5 ft. off the floor
