NY Connects/Tompkins County Office for the Aging

This booklet is published by NY Connects/Tompkins County Office for the Aging, which you can contact to learn about the wide variety of long term support services offered to seniors in Tompkins County. These support services and living arrangements comprise the long term care network that enables seniors to live safely and comfortably throughout their lives.

In general, these services are either in-home or residential. It is important to investigate and discuss options with family and friends in order to make the best choices.

Both public and private agencies provide medical and social assistance. Seniors may only require services such as home delivered meals or they may need the complete medical and therapeutic services of a long term care facility. All the housing arrangements described in this booklet are licensed to provide service.

A companion booklet called *Housing for Seniors In Tompkins County* describes in more detail the various housing options provided in Tompkins County. Another booklet, titled *Resources for Caregivers in Tompkins County*, gives more detailed information about services to support caregivers. These booklets are available in hardcopy and on the website of the Tompkins County Office for the Aging along with other booklets in this series listed on the inside front cover.

IN-HOME ASSISTANCE

Tompkins County Long Term Care Services

Tompkins County Long Term Care Services provides publicly funded home care services to Tompkins County residents. Contact them for information, referral, and case management for low income individuals age 60 and older, and individuals of any age for certain Medicaid-funded long term care.

- 1. Information and Referral**– Call to discuss long term care services and service providers available to meet your needs or those of your loved one. Tompkins County Long Term Care Services also conducts the Patient Review Instrument (PRI) assessment required for nursing home admission.
- 2. EISEP** (Expanded In-home Services for the Elderly Program) provides non-medical, in-home services and case management for people 60 and over who can be cared for safely at home. Home care services include help with bathing, dressing, cooking, shopping, laundry, and housekeeping. Clients pay for services on a sliding fee scale based on their income and housing expenses. There is no charge for case management.
- 3. Medicaid Home Care** (for Medicaid clients of any age)

Home management aide service is arranged directly by NY Connects (e.g., help with housekeeping, meal preparation).

Home Health Care (including hands-on personal care) that will last for 120 days or more must now be obtained by enrolling in a state-approved MLTC (managed long term care) plan. (See *Managed LTC* on page 6.)

The **Consumer Directed Personal Assistance Program (CDPAP)** provides the same services as a personal care aide in the EISEP or Medicaid program, however, the consumer is responsible for hiring, scheduling and designing the care plan.

Medicaid Managed Long Term Care

“Managed Long Term Care” (MLTC) is a mandatory program for Medicaid recipients who are expected to need assistance with personal care for more than 120 days. They enroll in a MLTC health plan that plays for needed aide service, other community-based long term care services and medical services not covered by Medicare.

There are three local MLTC Health Plans

- Fidelis Care at Home– 800-688-7422
- iCircle Care– 844-424-7253
- Nascentia Homecare (formerly VNA Homecare) – 888-477-4663

Medicaid recipients who newly need long term care services must call the “Conflict-Free Evaluation and Enrollment Center” for an evaluation of their need for MLTC services: 855-222-8350.

ICAN (Independent Consumer Advocacy Network)

NY State funds an independent advocacy service, ICAN, which can help individuals or their friends, family or representatives enroll in MLTC plans, give advice about their managed care options, or solve problems with their plan or providers (e.g., doctors, home care agencies). They can also assist with filing of complaints or appeals. They are not connected with any health insurance plan. All their help is free and confidential. Call ICAN at 844-614-8800 or email ican@cssny.org.

Nursing Home Transition and Diversion Medicaid Waiver

NHTD waiver services include assistive technology, assistance in cost of moving back into the community from a nursing home, home modifications, home visits by physician, independent living skills training, respiratory therapy, relief for non-paid primary caregivers in a 24-hour block of time and several other services.

Home Care and Home Health Care Agencies

Home Care and Home Health Care Services are offered by the agencies listed in the following pages. Services may also be privately arranged. Home care may be scheduled as needed from several hours per week to 24 hours a day. Costs vary depending on the agency and the services performed. Generally, home care is provided by:

Registered Nurse (RN) Licensed by the State of New York to do specific medical care.

Licensed Practical Nurse (LPN) Licensed by the State of New York to do a lower level of medical care.

Home Health Aide (HHA) - Trained to provide medical-related services and personal care such as bathing/dressing.

Personal Care Aide (PCA) - Provides personal care such as bathing, grooming assistance, and meal preparation.

Homemaker/Companion - Assists with home management activities such as meal preparation, housekeeping, shopping, companion visits or escorting, running errands, etc.

Hiring someone to provide care in the home, either from an agency or privately, is an individual decision. Home care agencies are responsible for training, scheduling, supervising, arranging for substitutes, and employee

benefits for personnel they employ. When a family makes an employment agreement directly with the caregiver, its members assume these responsibilities.

Payment is made by the family, a third party such as Medicaid, Medicare, or an insurance company.

Medicare-certified Home Health Agencies

Note: The following agency is certified by Medicare to provide Medicare-paid home health care. Medicare only pays for home health care when the doctor prescribes what Medicare considers “skilled medical care” in the home such as physical therapy, speech therapy, or medical services provided by a nurse. The patient must be considered homebound by Medicare’s definition.

Visiting Nurse Service of Ithaca and Tompkins County

This not-for-profit home health agency provides medical therapies and long term care services in the home.

Services provided include:

Skilled Nursing	Medical Social Work
IV Therapy	Nutritional Therapy
Patient Education	Home Health Aide
Wound Care	Personal Care Aide
Respiratory Therapy	Physical Therapy
Occupational Therapy	Audiology
Tele-Health Monitoring Service	Speech Pathology

Reimbursement comes from Medicare, Medicaid, and health insurance companies if conditions for coverage are satisfied. Private duty care is also available. A physician orders the care through this Agency. Services are available to Tompkins County residents 7 days a week, 24 hours per day. A registered nurse is available at all times for consultation.

Companion/Home Helper Services

The following agencies provide meal preparation, light house-keeping, laundry, medication reminders, running errands, driving clients to doctor visits, companionship, support of clients with dementia, and other services. These organizations do **not** provide “hands on” personal care or home health care service. Although these agencies are not required to be licensed by the NY State Health Department since they do not provide hands-on care, they all say that their aides are screened (background checks, references) and trained and that their agencies are insured and bonded.

Privately-Hired Help

(Visit www.caregiver.org/hiring-home-help to explore the pros and cons of “Hiring an In-Home Helper” and get tips on interviewing and supervising employees privately.)

The Registry

“The Registry” is a free referral service that matches people in Tompkins County that need in-home workers with individuals able to work in people’s homes. The Registry maintains a listing of independent job seekers over the age of 18, who have been screened through a face to face interview and whose references have been checked. The Registry lists jobs for personal care aides, cleaning personnel, companions, homemakers and nurses. Wages tend to be in the \$10 to \$20 range or more per hour, often depending on the amount and intensity of personal care involved. Those with nursing credentials (LPN, RN) may charge more

(perhaps \$20 to \$25 per hour). However agreed-upon wages can vary widely. There is no fee for this service but contributions are welcomed.

Other Privately Hired In-Home Services

Finding in-home helpers online.

Another option for being matched with privately hired in-home helpers is by searching on the Internet at sites such as *Care.com* website: www.care.com.

The NY Connects/Tompkins County Office for the Aging office frequently receives business cards and brochures from individuals offering services to older adults for a fee. As of this printing, the Office for the Aging has information on individuals who provide some of the following services to older adults at their home:

- *Shopping/errands service
- *Snow shoveling
- *Cleaning of dryer vents
- *Drivers to Out-of-county Medical Appointments/Other Trips
- *Household Chores (wash windows, paint, rake leaves...)
- *Lawn work
- *Organizing/Decluttering
- *Personal Assistant

For names of individuals who have asked to be listed at the Office for the Aging, call:

NYConnects/Tompkins County Office for the Aging: 274-5482

If there is someone you know and would recommend that is performing a valuable, but little-known service for older adults, invite them to drop off information about the service to the Office for the Aging.

Tompkins Time Traders

If you are interested in participating in a barter system, you may want to investigate Tompkins Time Traders. Tompkins Time Traders is an organized exchange system serving all ages, through which members exchange Time Credits. Each person's time and service are valued equally. Current offerings include professional services, help in the home or garden, tutoring, service to not-for-profits, rides to doctors' appointments, running errands, companionship, babysitting, and more. For more information, visit:

Tompkins Time Traders

Coordinator: Shakaya Reese, phone : 607-319-0831

Important Reminders when hiring in-home helpers

Check references/credentials.

If you are considering hiring someone privately, consider checking references, especially if they will be coming into your home. If you are considering hiring someone to do something that may be dangerous (for example, going on a roof to clean gutters), be sure to check to see if they have the proper credentials/insurance. If you are not sure, consider hiring from established businesses that advertise publicly (such as in the yellow pages.)

MEAL AND SHOPPING SERVICES

Congregate Meals Program (Foodnet)

The **Congregate Meals Program** is provided by **Foodnet**, a not-for-profit group that contracts with the Tompkins County Office for the Aging to operate the nutrition programs for the county. They provide meals and social time Monday through Friday at midday. Nutrition counseling and education is also provided. The sites for meals are conveniently located throughout the county, and are open to everyone over 60. Contributions for the meals are encouraged, but not required. (It costs Foodnet \$8 per hot meal or \$40/week or \$9.50 for hot meal and sandwich meals or \$47.50 per week.) Those able to contribute the full cost are encouraged to do so, but any amount helps. Food stamps are also accepted. No one is denied a meal because of inability to make a contribution.

Ithaca	Lifelong (Tuesdays only)	273-1511

Meals on Wheels

Foodnet provides Meals on Wheels (home-delivered meals) to people in Tompkins County who are homebound and unable to prepare their own meals. A hot meal and optional sandwich meal are delivered five days a week. Frozen meals can be provided for the weekends. Nutrition education and counseling are available from the Registered Dietitian.

Eligibility

1. Senior Nutrition Program: Persons age 60 and over are eligible to receive meals on wheels if they are homebound and incapacitated due to accident, illness or frailty; lack adequate support of family friends or neighbors; and are unable to prepare meals because of any one of the following:

- Lack of facilities such as refrigeration, stove, etc.
- Inability to shop and cook for self
- Inability to safely prepare meals
- Lack of knowledge and skills

2. The spouse of the homebound person, regardless of age or condition, is eligible to receive meals on wheels when the provision of a meal to the spouse is in the best interest of the homebound person.

3. Non-elderly disabled individuals who reside in a non-institutional household with a person eligible to receive meals on wheels may also receive this service when the provision of the meal to the non-elderly disabled individual is in the best interest of the homebound elderly person.

Cost

Meals on Wheels for eligible persons under items 1-3 above are partially funded by the Tompkins County Office for the Aging and the New York State Office for the Aging. Contributions for the meals are encouraged, but not required. (It costs Foodnet \$8 per hot meal or \$40/week or \$9.50 for hot meal and sandwich meals or \$47.50 per week.) Those able to contribute the full cost are encouraged to do so, but any amount helps. Food stamps are also accepted. No one is denied a meal because of inability to make a contribution.

4. **Foodnet Select:** Other persons under age 60 are eligible to receive meals on wheels under the criteria listed in #1 above provided they purchase the meals under the Foodnet Select program or arrange for a third party to pay for the meals on their behalf. Tompkins County and Foodnet established the **Foodnet Select** program with no state or federal funding in order to make Meals on Wheels available to more people and to help offset reductions in government grants. The **fee** is \$8 per hot meal, \$9.50 for both hot meal and sandwich. **Payment** for Foodnet Select meals must be made in advance unless special arrangements are made to bill a third party.

Privately hired Respite Services

For a fee, you may arrange for respite aide service through one of

several area agencies if they have aides available at the times you need one (*See pages 9-12*). You may also be able to hire someone privately through **The Registry**, a service of the Finger Lakes Independence Center (*see page 13*).

Out-of-Home Respite Care Services

Adult Homes

Short-term stays are allowed on a space-available basis at **Longview, Brookdale Senior Living, Bridges Cornell Heights**, as well as most of the smaller, **family-type, adult care homes** locally (see page 32-33). You may also want to look at places in nearby counties (e.g., Walden Place in Cortlandville, 756-8101, The Prentice Homestead in Apalachin, 258-0215) if you can't find an opening locally. Charges generally include meals, housekeeping, help with bath and medications, and recreational programming. Respite residents must have enough self-care skills to qualify for residential care.

Overnight Respite with Nursing Care

Those whose needs exceed the adult home or enhanced assisted living level of care can consider two other options for overnight respite: **Cayuga Nursing and Rehabilitation Center** and **Beechtree Care Center** both accept short term admissions for respite purposes on a space-available basis. A nursing home assessment and doctor's orders are needed. Contact the nursing home a few days before the date respite care is needed (*see page 35*).

Adult Day Program

Longview's Adult Day Community offers another possibility for caregiver respite while providing a social/recreational opportunity for their care receiver. The daily fee includes personal supervision and recreational programs, as well as morning and afternoon snacks and a hot, nutritious lunch. \$55/day. Participants can attend all five days, or just certain days of the week.

Geriatric Care Management

Geriatric Care Management offers a variety of personalized and customized services to assist elders and their families in meeting long-term care needs. All service delivery options are designed by the geriatric care manager, a professional dedicated to helping individuals and families access various resources and services. Geriatric care management options vary depending on individual needs and are available on a short-term, on-going, or long-term basis. Services are provided for a fee and include:

- Comprehensive assessment in client's place of residence with recommendations
- Ongoing assessment and follow-up visits
- Consultation, referral, and access to community resources
- Organization of healthcare appointments
- Arrangement of home maintenance, errand services and meal delivery
- Review of organizational needs concerning finances and medical services
- Assistance with placements in a skilled nursing facility, assisted living or senior housing
- Support with discharge planning from hospital or skilled nursing facility
- Coordination of services for long-distance caregivers.

Senior Citizens can be picked up by the airport limousine from their homes and be taken roundtrip to doctor's appointments in downtown Syracuse at the Medicaid rate. The limousine stops at medical offices located in the downtown area and then goes on to the Syracuse airport to pick up clients there. It will not go out of the way to outlying areas of the city. Call the Office for the Aging ahead of time to make arrangements to receive the reduced rate (274-5482).

ADDITIONAL LONG TERM CARE SERVICES

Project CARE

Project CARE, organized by the Tompkins County Office for the Aging, matches older people with volunteers and encourages regular visits. Project CARE volunteers also can provide a needed break from caregiving and other assistance to family caregivers. For the older adult, Project CARE offers companionship and a chance for sharing time and interests. Students from several area colleges as well as year-round members of the community often volunteer and look forward to this social connection. Volunteers might also assist with errands, light housekeeping or yard work. In some instances, Project CARE volunteers free up a family caregiver who is having difficulty finding time to take a break or attend to other responsibilities. Typically volunteers visit about two hours a week. Individual arrangements may vary.

Project Lifesaver

Project Lifesaver provides timely response to save lives and reduce potential injury for adults and children who wander due to Alzheimer's, autism, and other related conditions or disorders. Each participant that is enrolled in the program is fitted with a Project Lifesaver wristband (transmitter) that emits a tracking signal every second 24 hours a day. The signal can be tracked by trained personnel from the Tompkins County Sheriff's Office using equipment with radio frequency tracking capability. A helicopter with radio frequency capability can be used in the search if necessary.

Personnel come to the participant's house every 60 days to change the battery and check the band to assure it is in good working order. There is a \$300 refundable deposit for the equipment and a \$10 fee for each battery replacement. Alternate arrangements will be made to cover these fees for those who cannot afford to pay them. Call the Sheriff's office at 257-1345, extension 4455, to make an appointment to enroll.

LONG TERM RESIDENTIAL PROGRAMS

*Larger adult care facilities are licensed by the NY State Health Department as “adult homes” or “enriched housing programs. Some are further certified to offer “enhanced assisted living” services to those with greater care needs. Smaller, **family-type homes** are certified by the local Department of Social Services. Both provide meals, homemaking services, supplemental personal care, recreational programs and 24-hour support.*

Skilled nursing care facilities, commonly referred to as nursing homes are licensed healthcare facilities that offer long and short term care for individuals who need rehabilitation services or who suffer from serious or persistent health issues that are too complicated to be tended to at home or at an adult home/assisted living facility.

Ombudsman Program

A long term care ombudsman is a certified volunteer serving as an advocate to address concerns expressed by, or on behalf of residents of assisted living residences and nursing homes. Ombudsmen listen carefully to residents, and may mediate, negotiate, facilitate and propose solutions when a resident has requested and given permission to the long term care ombudsman to act as their advocate. This service is confidential and free of charge.

The Regional Ombudsman Program serving Tompkins County, Schuyler County and Chemung County is coordinated by the Tompkins County Office for the Aging. To contact the ombudsman for a residential care facility in any of these three counties, contact:
