“FOOD” for Thought...

Did you know that the Vending Committee:

- ♦ is financially supported solely on the commissions from the vending machines?
- ♦ sponsors the employee trips, events, etc., subsidizing a portion of the costs to help make them more affordable to the employees and their families? This includes the hours of “legwork” to investigate and schedule the trips, as well as coordinating the events with the appropriate businesses, etc.
- ♦ sends memorial donations for the loss of an employee or a current employee's loss of a family member (limited to the contracted bereavement clause)? **NOTE: This donation may possibly be discontinued.**
- ♦ annually contributes \$5.00 per employee toward a party or event of the department's choice?

What you can do to ensure the continuation of these benefits:

- ♦ support the Vending Committee with your purchases from the vending machines.

Suggestions?

Please forward them to a Vending Committee Member from your Department. Don't have one? Why not join? It's a great group of employees! Meetings are held once every two or three months, for approximately one hour.

The team is always open to suggestions for trips, excursions, etc. Please feel free to share your ideas with the team for review.
