

# Education

We have a right to education we have a right to education you know reading working being successful what would we do without that stuff we need to be educated? The more I connect, the more I learn and the more I know and the more intelligent I GROW.

We all have a right to education you know we all have to learn to grow we all have knowledge to show so the education path is the right way to go they can't take that right away from us that's a real big No.

Each day I will do my best and the next day I won't do any less I won't accept a mess and I will do my best on every test. We are not fools and we will not fail school that is not a dream come true it's a nightmare we want to become billionaires so we can live our life to the fullest.

Education is my tool to discovery that leads me to enlightened master. You will always need education when you are young and old. Everyone says work is the tool to life but the real tool is education. You need education from the day you're born till the day you pass. BUT JUST SO YOU KNOW EDUCATION IS THE TOOL TO LIFE.
