

# Associate Civil Engineer

## The Position

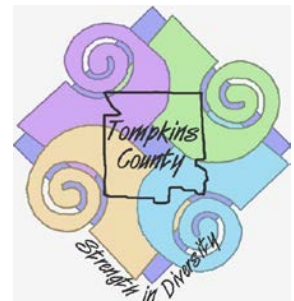

The Tompkins County Highway Department is seeking an **Associate Civil Engineer**.

This position is under the Blue Collar unit of CSEA and works 40 hours per week. The starting hourly rate is \$34.03 per hour and the pay automatically increases to \$36.70 per hour after serving a nine-month training period. (These are 2017 rates.)

This is a competitive class title and will be a provisional appointment pending the next civil service examination.

As a union position, the employee has access to the New York State Retirement System, a Deferred Compensation plan, an excellent Health Insurance plan, two weeks of paid vacation per year, twelve paid holidays per year, and other benefits as negotiated by the Union.

Tompkins County values a diverse, respectful, productive, and fulfilling workplace.

*Apply now - Applications close on January 31, 2019*
