On 04-05-18 at approximately 053 hrs Beth and Justin Tani reported that their house water has been going on and off for two days.

They believe the landlord, Dwayne Scott, is intentionally turning the water off to prevent them from cleaning the house so he can keep their security deposit.

When I spoke to Dwayne Scott he advised me that he has had problems with the well pump and pressure switch that has prevented him from having water.

All parties advised this is a civil issue.
