* A Person In Need of Supervision (PINS) is a youth under the age of eighteen (18) who is showing a pattern of habitual disobedience, running away, curfew violations, substance abuse, violent behavior, or school truancy problems. Pre-PINS Diversion Services attempt to resolve the conflicts that brought a youth to the attention of the Probation Department by offering supervision, guidance, and referrals to community resources, thus preventing the need for formal Family Court intervention. Pre-PINS Diversion is a mandatory prerequisite prior to filing a formal PINS petition in Family Court.
