- October 16th, 2023: Received an online commendation form thanking Deputy Manuel and Deputy Jolly for their response to a property complaint.

My Wife Jane and I would like to thank the two officers who quickly responded to our call about a prowler on our property. They quickly located the individuals who, thankfully, turned out to be looking for a campsite on a neighbors land (at almost 1AM...). They were very professional and kind . Big thanks to them both! Paul & Jane Cullings

- October 21st, 28th, and 31st, 2023: Trunk or Treat at the Ithaca Mall, YMCA, and Myer's park took place. TCSO was there to decorate our vehicles and hand out candy to all the Trick or Treaters! On the 31st, the STOP-DWI Halloween High Visibility Engagement Campaign also took place in special efforts to stop impaired driving, prevent injuries, and save lives.

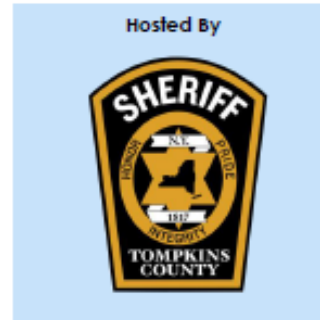

- October 24th, 2023: TCSO was involved in a very active investigation that involved an armed robbery suspect entering Tompkins County from Broome County. Although law enforcement is always recognized publicly when such events occur, most don't take into account all the hardworking first responders who work behind the scenes simultaneously managing multiple incoming calls from community members & law enforcement officers, heavy radio traffic from all of us trying to speak at once, and several SIREN alerts. The work they do every day can best be described as a masterclass in multi-tasking. This event was no different. The Sheriff's Office would like to thank our fellow first responders at the Tompkins County Dept. of Emergency Response for their continued partnership and for always having our backs! That night, the following people stepped up:
