

One Stop Operations and Oversight Committee

November 10, 2020

8:30 A.M.

ZOOM platform

PRESENT: A. Bishop, K. Franzese, P. Levesque,
EXCUSED: K. Kersey, L. Dillon
STAFF: N. Branosky, D. Achilles
GUEST: J. Mouillesseaux

CALL TO ORDER

Chairman Bishop called the meeting to order at 8:33 a.m.

APPROVAL OF MINUTES – July 9, 2020

It was moved by Ms. Franzese, seconded by Mr. Bishop and unanimously adopted by voice vote of members present to approve the minutes of July 9, 2020 as written.

WORKPLAN

A. Center Update

Ms. Mouillesseaux updated the Committee that the Career Center is currently closed to customers physically. NYSDOL staff have returned with one supervisor and a rotation of one staff at a time. Career Center staff are in and out of the office, but mostly are still working remotely. Ms. Mouillesseaux has hired Ms. Callahan as the Workforce Development Coordinator, and is interviewing to fill a Transition Workforce Specialist, Workforce Development Specialist and Communication Specialist at this time.

B. Career Center Recertification Focus

Ms. Branosky informed the Committee that the Federal Law requires the Career Center to be recertificated every 3 years and this will need to be done January 2021. We have no guidance on how this will be accomplished during the pandemic, so we are not sure of how to move forward at this time. Areas that are included in recertification are: accessibility, effectiveness of network and continuous improvement of One Stop Center delivery system.

DIRECTOR'S REPORT

Ms. Branosky reported that on Thursday, November 12th, Ms. Mouillesseaux and herself will be doing a presentation to NYSDOL on "WIOA Youth Program within COVID period". The Tuesday, December 15th Board meeting will have an industry briefing on Green Economy/Climate jobs. The Board and Cornell ILR school is launching research on lost jobs/job growth in 2021, working from remotely, and identifying changes in the skills needed by employers vs. the skills available in the Tompkins County workforce.

ADJOURNMENT

The meeting adjourned at 9:11 a.m.

The next meeting is scheduled for Tuesday, January 12, 2021 at 8:30 a.m.

Enhancement 1: Accessibility - Attributes and Standards

Physical Accessibility

Attribute: The physical location and facility provide a safe and functional customer experience		
	Y/N	Improvement Action
1. External Signage External signage clearly identifies the location as a NYS Career Center and American Job Center.	N	The Career Center currently has stickers for windows that identify the NYS Career Center location and American Job Center but we do not have external signs for the key entry points throughout the building. The NYSDOL has identified that they will be providing them
2. Internal Signage Internal signage helps customers easily navigate the Career Center and is inviting and welcoming.	Y	The Career Center will add a question to customer satisfaction survey for 2 weeks, 2x per year to reassess internal signage. Feedback will be used to make modifications. In addition, the ppt for the TV display will be updated to portray a welcoming environment.
3. Appearance The Career Center is clean and has a professional appearance.	Y	The Career Center will add a question to customer satisfaction survey for 2 weeks, 2x per year to reassess clean and professional appearance. Feedback will be used to make modifications.
4. Physical Access to Services The Career Center is designed for customers' easy access to services, resources, and staff assistance, including adequate space for workshops, recruitments, partners, center staff and reception.	Y	Additional, no-cost, community space will be identified and documented along with instructions on how to reserve for scheduling conflicts.
5. Resource Room The Resource Room has an adequate number of workstations to meet customer demand, and equipment is in working order.	Y	As budgets allow we will update training lab equipment throughout the next three years. A review of DOL owned resource room equipment will occur as well with a recommendation to DOL to upgrade outdated equipment.
6. Adaptive Technology Adaptive technology is available in the Resource Room for customers with disabilities.	Y	Adaptive technology will be updated by end of July 2018.
7. Safety and Security The Career Center has adequate safety and security precautions in place.	Y	Center management will review safety procedures including evacuation plans, disruptive customers, active shooter skills, and when to call 911 with all existing staff every six months and will be part of a onboarding checklist for all new staff.

Attribute: The Career Center provides integrated, customer-centered services via effective partnerships		Y/N	Improvement Action
14. Referrals	Referrals are recorded and a process/procedure is in place for partners to follow through and to report progress on referrals made.	N	Service MOU partners have committed to creating a process to track and follow all referrals and will be working on the process/procedure in 2018.
15. Virtual Resources	Staff provides information about JobZone and other virtual resources that are available both during and outside of regular business hours.	Y	Virtual resources will be reviewed and demonstrated during biweekly staff meetings.
16. Connection to the Community	The Center connects to the community through community partnerships and community access points.	Y	The Center will create a baseline to measure community access points and seek to increase the number through June 2019.
17. Staff Meetings	Career Center staff meetings are held with all staff (regardless of program) to build relationships, provide updates on center activities, and discuss strategies for improvement.	Y	Notes will begin to be taken and shared with staff absent from the biweekly staff meetings.
18. Primary Indicators of Performance			Further staff training will occur around WIOA performance measures

<p>Primary Indicators of Performance are discussed with all Career Center staff on a regular basis, in accordance with most current Performance TA.</p>	<p>and then again once we have standards for WIOA performance.</p>
<p>19. Capacity-Building Plan A capacity-building plan is in place to provide continuous staff training on serving customers effectively, including customers with barriers to employment.</p>	<p>A capacity building plan will be developed and our biweekly staff meetings will be the platform for information updates and training from partner and non-partner agencies. Connection with partners and community service providers will be enhanced with this personal approach.</p>

Workforce Effectiveness

Attribute: The Career Center actively supports Business Service strategy		Y/N	Improvement Action
20. In-Demand Occupations			
Career Center staff focus on in-demand jobs by actively promoting targeted sector opportunities and in-demand occupations to all customers.		Y	Center is developing a plan to further incorporate sector and in-demand opportunities into each customer touch point. In addition, additional emphasis will be placed on educating staff and customers on top tier companies in Tompkins County w/great opportunities for advancement, pay increases, great benefits, etc.
21. Business Services			
Business services are available (such as referral of qualified candidates, on-site recruitment, and skill verification), and hiring incentives are marketed.		N	The Career Center has relied on regional DOL staff to provide business services and this has not met businesses needs as regional staff do not have relationships necessary to work w/ area businesses. Effective June 1, 2018, a .50FTE Business Services Specialist is being created utilizing a variety of resources.

Attribute: The Career Center facilitates skill development and attainment of industry-recognized credentials		Y/N	Improvement Action
22. Supportive Services			
Supportive services are available to customers where appropriate, to facilitate participation in training services.		Y	Training of all onsite and offsite partner staff will occur to ensure that community and formal partners are aware of resources available for supportive services.
23. Skill Development			
Staff recognize the value of skill development and tailor services accordingly.		Y	Staff meetings will be utilized to remind staff of the value of skill development and how to write an effective tailored employment plan
24. Employment Outcomes			
Staff recognize the value of employment outcomes and tailor services as a result.		N	Staff meetings will be utilized to remind staff of the value of employment outcomes and how to ensure that all employment plans that focus on skill development need to have the end goal an employment outcome.
25. Industry-Recognized Credentials			
Center promotes easy access to education and training that leads to industry-recognized credentials.		N	Access to education and training is streamlined. Access to training that leads to industry-recognized credentials is a challenge with a lack of training opportunities in the community. Further work is being done to identify opportunities for virtual training as well as educating local training providers regarding the training needs.
