

## Early Voting: Presidential Primary

Voters now have **nine extra days** to vote prior to the Presidential Primary Election on April 28, at special Early Voting locations. Everyone who is registered to vote in New York State, a resident of Tompkins County, and enrolled in a party holding a primary, is eligible to vote at one of our two Early Voting sites. Each site is fully accessible to voters with physical disabilities. Voters do not need to have an “excuse” for voting early. Once they have cast their ballot on a machine at an Early Voting site, they will not be able to vote on Primary Election Day.

### Locations for early voting in Tompkins County:
