

**Medical Director's Report
Tompkins County Board of Health
August 2012**

Tobacco Control

In the “knock your socks off department” the village of Haverstraw, in Rockland County, New York, moved to enact a ban on the marketing of tobacco. Specifically, they are banning point of sale tobacco displays in stores. This move was to decrease the exposure to in store tobacco promotions, as a move to reduce marketing to youth.

I was pleased to see Tobacco Free Tompkins launch its newsletter this month...view it at:
