How To Use This Booklet

The Directory of Providers is designed to assist you in locating a CSEA EBF panel provider in your area.

What to do after you have located the provider you wish to use:

If you have already enrolled in the CSEA EBF Dental Care Plan and verified your eligibility, you may now select a provider. All you need to do is make an appointment for your dental examination. The participating provider will obtain an authorization number, and no paperwork or voucher will be necessary.

This listing is continually subject to change. It is your responsibility to contact the dental provider's office and confirm that they are still a plan participant. For a more up-to-date listing, please check our website: www.cseaebf.com

IMPORTANT NOTE: Each dental office listed here has agreed in writing to accept the CSEA EBF Fee Schedule as payment in full for services covered by our dental plans. In addition, these dentists have agreed that for any treatment not covered by our Plan, they will discuss the cost with the covered employee before providing services that result in out-of-pocket expenses.

Specialists within participating general practices may have the right to bill members for the difference between the specialist's customary charge for the service and the allowance which the CSEA Employee Benefit Fund pays under the applicable Fund dental plan. The specialist must inform the Fund and the member that he/she will not be accepting the allowance as payment in full and must provide proof of specialty status to the Fund. The member will be asked to sign an acknowledgement of their financial responsibility for the procedures provided by the specialist prior to service.

This listing is continually subject to change. It is your responsibility to contact the dental office and confirm that they are still a plan participant.

Publication of this list is meant only as an aid to you in selecting a dentist whose fees will be the same as our schedule. We do not recommend or control the quality of a dentist's work, nor are we in a position to verify or refute the opinions of a dentist reviewing another's work.
