## **I. ARTICLE 1 - INTRODUCTION/DURATION**

~~This agreement is made effective as of the first day of March, 2008, through and including February 28, 2010.~~ This Agreement is by and between the County and the Sheriff of Tompkins County (hereinafter referred to as "Employer") and the ~~Employees' Union of the~~ Tompkins County Deputy Sheriff's Association, Inc. ~~Sheriffs Department,~~ affiliated with the New York State Union of Police Associations, Inc., or its successor (hereinafter referred to as the "Union" or "PBA"). In the event this Agreement expires and there is no successor agreement, and in accordance with NYS Civil Service Law, all terms and conditions shall remain in full force and effect until such time as an Agreement is effectuated.

The Public Employees' Fair Employment Act of the State of New York, the other provisions of the State Civil Service Law, and local laws or resolutions now or hereafter adopted by the County which are not inconsistent with said Act shall govern the terms of this settlement.

## **II. ARTICLE 2 - RECOGNITION**

- 2.1. The Employer recognizes the Union as the sole and exclusive representative for the following titles: Deputy Sheriff, Sergeant Deputy Sheriff, Lieutenant Deputy Sheriff, Criminal Investigator, Juvenile Investigator, Senior Criminal Investigator, Secretary, Sheriffs Clerk, Civil Account/Permit Clerk, Senior Civil Account/Permit Clerk, and Keyboard Specialist. Attached hereto and made a part hereof, marked Exhibit A, is a copy of the Tompkins County Board of Representatives Resolution of Recognition 121.
- 2.2. The Union affirms that it does not assert the right to strike against the employer, to assist or participate in any such strike, or to impose an obligation upon its Members to conduct or to participate in such a strike, in accordance with Section 210 of the Public Employees Fair Employment Act.
- 2.3. Any time a position is created which may be incorporated into the bargaining unit, the Employer will provide written notice to the Union simultaneously with any posting of said position.
- 2.4. Effective January 1, 2016, the Employer shall be entitled to hire up to a maximum of four (4) part time competitive class Deputy Sheriffs pursuant to Civil Service Law, which shall be represented by the PBA. These (4) part time competitive class Deputy Sheriffs shall, prior to being hired, be certified through the Municipal Police Training Council, pass a physical and psychological exam, and the Employer agrees that no part time competitive class Deputy Sheriff shall be scheduled to work more than five (5) eight (8) hour tours of duty (40 hours) in any workweek, as set forth in Article III - Compensation, and Article IX - Road Patrol Schedule. The Employer also agrees to hire retired Tompkins County Deputy Sheriffs or other retired police officers within one (1) year of their retirement date. All retired Tompkins County Deputy Sheriffs shall be given first (1<sup>st</sup>) preferences who apply for the part time position, before any other retired police officer is hired. The first (1<sup>st</sup>) preference shall be based on that there were no major violations pursuant to the disciplinary procedure of the Agreement, or by written stipulation of settlement between the parties within the last three (3) years of employment prior to his/her retirement date. The foregoing shall apply to all other retired police officers in the event no Tompkins County Deputy Sheriff is hired.
- 2.5. The parties agree that the term "part time employees" shall be used throughout the Agreement to identify the specific hourly rates of pay, hours of work, and other terms and conditions of employment that are applicable to part time Deputy Sheriffs. In those instances where "employee" appears, it shall mean full time Deputy Sheriffs.

## **III. ARTICLE 3 - COMPENSATION**

- 3.1. The schedule of job classifications by salary grade is attached hereto as Exhibit C; the wage

schedules for all positions covered by this Agreement are attached hereto and made a part hereof as Exhibit E.

- 3.2. All new civil and clerical employees shall start at the Hire Rate of pay as set forth in Exhibit E. On their anniversary date of appointment (one year), the employee shall move to the Working Rate of pay. All new Deputy Sheriffs without the Bureau of Municipal Police Training Council (MPTC) academy certification will be hired at the Trainee Rate. Upon graduation, that employee shall move to the Hire Rate and on their anniversary date of hire that employee shall move to the Working Rate of pay as set forth in Exhibit E.

Any individual who is certified and has at least one (1) year of full-time prior credited police service within the State of New York may be hired at the Working Rate of pay. The Commissioner of Personnel shall inform the President of the Union of any employee hired at the Working rate.

A Deputy Sheriff who is appointed as an Investigator or Sergeant shall move to the Hire Rate of pay, and on their anniversary date of appointment to that title, move to the Working Rate of pay as set forth in Exhibit E. An Investigator or Sergeant who is appointed as a Senior Investigator or Lieutenant shall move to the hire rate of pay, and on their anniversary date of appointment to that title, move to the Working Rate of pay.

3.3. Work Week

All employees will be scheduled to work 40.0 hours per week. Clerical employees' hours will be assigned by the Sheriff or his designee with a start time no earlier than 7:00 AM and no later than 10:00 AM. A minimum of 48-hour notice will be given for any change in an employee's work schedule. An employee accepts the standard work week of the department as a condition of employment.

3.4. Computation of Overtime

- a) For employees with a 40.0 hour work week, time and a half will be paid for all hours worked over 8 hours in a 24 hour workday, as defined by the shifts in this contract, or for hours worked when an employee is called in to work on his/her regularly scheduled day off.

~~a)b) Effective March 1, 2016, and in lieu of payment of overtime, an employee at his/her option may elect compensatory time, in whole or part, computed as set forth herein, up to a maximum of eighty (80) hours each year. Compensatory time shall be calculated like overtime, at the rate of one and one half times (1.5X) the number of hours, or part thereof worked (Example: work 8 hours, equals 12 hours of compensatory time). The compensatory time amount herein shall be a "floating cap." (Example: accumulates 80 hours, uses 40 hours, can accumulate another 40 hours, and so on). An employee who has accumulated the maximum compensatory hours set forth herein, and works overtime, shall be paid overtime and not be entitled to elect compensatory time until he/she is below the maximum accumulated hours. All requests shall be submitted to the Sheriff or designee a minimum of seventy-two (72) hours in advance of the requested starting time to use compensatory time. The Sheriff or designees shall advise the employee no later than twenty-four (24) hours prior to the starting time to use compensatory time. Upon receiving a request for utilization of compensatory time, at a time when the Sheriff, or his designee, determines that no additional time off can be granted without incurring overtime expense, the Sheriff, or his designee, shall canvas all part-time deputies to determine if any are willing to work the tour of duty in which the compensatory time off was requested, so long as the part-time employee who agrees to work that shift has not already exceeded forty~~

(40) hours in that workweek (thus making him eligible for an overtime payment). After determining whether or not a part-time deputy is available to work the shift for which the compensatory time off was requested, the Sheriff, or his designee, in their sole and complete discretion, may or may not grant the request. In a particular pay period, all overtime worked must be either compensated (paid) overtime, or banked as compensatory time. Once granted, the compensatory time shall not be rescinded. In the event of an exigent circumstance, the Sheriff or designee may waive the minimum notice herein. An employee may request to have some or all of his/her accumulated compensatory time paid out two (2) times each year, upon written notification by the employee to the designated individual in the Sheriff's Office responsible for payroll to provide payment of the compensatory time amount requested. The first (1<sup>st</sup>) request for payment shall be in the first (1<sup>st</sup>) pay period of June, to be paid no later than the last pay period in June, and the second (2<sup>nd</sup>) request shall be in the first (1<sup>st</sup>) pay period of December, to be paid no later than the last pay period in December of each year. All unused compensatory time at the end of each year, up to the maximum as set forth herein, shall be carried over to the next year.

In the event a part time employee works beyond his/her scheduled eight (8) hour tour of duty (Example: makes an arrest, is on a transport detail beyond his/her scheduled tour of duty), he/she shall not be paid overtime, and continued to be paid his/her hourly rate of pay for all hours or part thereof worked. However, in the event a part time employee works more than forty (40) hours in a workweek, he/she shall be paid overtime, at the rate of one and one half times (1.5X) his/her hourly rate of pay, and shall not be entitled to elect compensatory time in lieu of payment.

~~b)c) The County will pay the following per hour premiums to all Law Enforcement employees who are scheduled to work on a first or third shift (i.e. 11 PM to 7 AM or 3 PM to 11 PM). Employees will receive shift premium as listed below. Shift premium shall be paid only for hours actually worked by the employee. However, shift premium will be paid for all scheduled investigative shifts that start on or after 2:00 PM and Deputies assigned to boat patrol after 3:00 PM.~~

A shift premium shall be paid to all full and part time employees who are scheduled to work during the hours of 11:00 p.m. to 7:00 a.m., or 3:00 p.m. to 11:00 p.m. Additionally, a shift premium shall also be pad for all Investigators whose shift starts on or after 2:00 p.m., and to employees assigned to boat patrol after 3:00 p.m., as follows:

<u>3/1/10</u>	<u>3/1/11</u>	<u>3/1/12</u>	<u>1/1/13</u>	<u>1/1/14</u>	<u>1/1/15</u>
<u>\$1.50/hr</u>	<u>\$1.50/hr</u>	<u>\$1.50/hr</u>	<u>\$1.50/hr</u>	<u>\$1.60/hr</u>	<u>\$1.65/hr</u>

1/1/16  
\$1.70/hr

The above shall be paid to all employees who are on any paid leave who had been receiving the shift premium when they went on paid leave (example: disability/sick leave, personal, vacation, holiday, GML Section 207-c leave, etc.).

LAW ENFORCEMENT DIVISION

~~Shift premiums for Road Patrol will apply effective 3/1/2007 at \$1.35 per hour; effective 2/1/08 at \$1.50 per hour.~~

~~e)d~~ Employees who are scheduled to work a regularly scheduled shift which begins between 7 a.m. and noon will receive shift premium for those hours actually worked beyond the scheduled ending time if they work 3 or more hours beyond the scheduled ending time. In such circumstances the employee shall receive the shift premium for the 3 or more hours worked beyond the scheduled ending time.

~~d)e~~ Hours not actually worked (i.e. Vacation, Holiday, Personal Leave, Disability Leave and 207-c) will be paid at the regular hourly rate for the position. Overtime and shift premium will not be calculated on fringe time. The above shall be paid to all employees who are on any paid leave who had been receiving the shift premium when they went on paid leave (example: disability/sick leave, personal, vacation, holiday, GMI, Section 207-c leave, etc.)

3.5. Trainee Travel: Employees attending basic training in the title of Deputy Sheriff will not be paid for time traveling to and from the training location.

3.6. A part-time employee shall be paid the equivalent hourly rate of pay for the position as set forth in Exhibit E, attached hereto and made a part hereof this Agreement.

3.7. Re-employment

Any person re-hired within one year from the date of resignation in the same classification from which he/she resigned shall be hired at the same point in the salary schedule as if the employee had not resigned.

Any employee on an unpaid leave of absence reinstated within one year from the date the unpaid leave of absence began will be reinstated to the same point in the salary schedule as if the employee had not taken a leave of absence.

3.8. Voluntary Demotion

If an employee is permitted to take a voluntary demotion after having been promoted, and he/she returns to his/her former position, he/she will return to the salary he/she would have been earning had he/she never taken the promotion.

3.9. Promotion

Whenever an employee of the bargaining unit is given an appointment to a position allocated to be a higher labor grade, the rate of compensation shall be as follows:

- a) For an employee who is given an appointment to a position allocated to a higher labor grade, the rate of compensation will be the Hire Rate for the new position until the completion of the training period listed in Article 111,2. The promoted employee will then move to the Working Rate for the new position.
- b) In no event shall the rate of compensation for the promoted employee be less than the salary of any employee supervised by that employee, except as modified by the salary schedule.

3.10. Posting of Vacancies

The Employer, through the Personnel Department, shall have posted within the Sheriffs Office all new titles and/or vacancies that occur within the bargaining unit. The posting shall be for a ten (10) business day period. A copy of the posting will simultaneously be forwarded to the Union President. A business day shall be Monday through Friday, excluding holidays, as set forth in Article X. In the event a certified Civil Service eligible list exists, the Employer shall not be required to post the new title(s) and/or vacancy. In the event no Civil Service eligible list exists and a new title is created or vacancy occurs, it may be filled on a provisional basis by an employee meeting the minimum qualifications of the position, as established by the Personnel Department, pending the certification of a Civil Service eligible list. The new jobs or vacancies may be filled on a temporary or emergency basis as deemed necessary by the Sheriff or his/her designee. Temporary employment is defined as a maximum of six months.

3.11. Employee - Definition

Full-time, part-time, temporary, and seasonal definitions will be those contained within the NYS Civil Service Law or the Civil Service Rules of Tompkins County, whichever is applicable.

~~12. Work Shift Definitions~~ [MOVED TO ARTICLE IX]

- ~~a) First shift: 11:00 P.M. through 7:00 A.M.~~
- ~~b) Second shift: 7:00 A.M. through 3:00 P.M.~~

- ~~d) Work Shift - Exceptions~~

~~Courthouse Duty, Boat Patrol, Civil Division, DARE, Juvenile Investigations, K-9, Airport, DWI Patrols, and SRO, all will have a regularly scheduled shift other than that specified in a, b, or c above. None of these assignments are bid for and are assigned directly by the Sheriff. In the event the "exception" is not a year around assignment, the employee reverts back to the Road Patrol schedule as defined in the collective agreement.~~

~~e) Investigator's Shift~~

<del>Schedule Title</del>	<del>Tour/shift</del>	<del>Workweek</del>	<del>Days off</del>

~~Flex time on Saturday starting between 7AM and 12PM for 8 continuous hours.~~

~~Investigators will bid for shift by seniority. Seniority will be defined as all time in the Criminal Investigative Division. The bids will occur prior to January and July of each year. The bid~~

~~schedule will be for six months and implemented in January and July of each year at the end of a pay period closest to the beginning of the month. The Sheriff or his/her designee will have the authority to designate what tours are filled. The Sheriff or his/her designee will create and maintain the schedule for an on-call Investigator. The Sheriff or his/her designee may choose to cover shifts that are unfilled with overtime or on-call.~~

~~When a temporary special need arises requiring the coverage of an investigator outside the shift hours set forth above, the Sheriff shall have the right to assign an Investigator to that temporary special need. When such need requires the services of an Investigator possessing specialized training, the Sheriff shall be allowed to call in that Investigator, based on the call-in procedures described.~~

~~e) K-9 Unit Shift Schedule:~~

~~During the initial K-9 training (which shall include but is not limited to tracking, patrol and narcotics detection), the schedule is five 8-hour days. After the initial training, the normal shift for the K-9 unit is four 10-hour days. On-going training will be conducted as part of the officer's regular tour of duty. The four ten hour a day shifts will be reduced by 1 hour and 15 minutes for each of the four days to account for the grooming time. When the K-9 unit is scheduled to work 5 eight-hour days, the K-9 unit will actually work seven hours per shift with an hour each day set aside for grooming. The set-aside time for grooming in both examples constitutes grooming time for the entire week. This will address the Fair Labor Standards Act time issue.~~

~~Grooming Time: An estimated average of not more than 5 hours per week is expected to be spent outside of the normal working hours for "grooming" the canine. Grooming includes, but is not limited to: feeding, walking, medicating the dog as necessary and appropriate brushing and similar work as directed by the dog's trainers and/or veterinarian.~~

~~In addition to grooming, the Tompkins County Sheriffs Office will provide a vehicle for the officer to transport the canine and to utilize for responding to calls. The Sheriffs Office will provide the necessary food, materials for shelter and other miscellaneous and sundry items required for performing the K-9 Unit function.~~

~~d) Boat Patrol Shift Schedule:~~

~~During the boat patrol season, the Union agrees the shift hours for the Deputies manning the boat patrol shall be ten (10) hour shifts of either, 10 AM – 8 PM, 11AM – 9 PM, or 12 PM to 10 PM, within a four (4) day work week of either Friday through Monday or Thursday through Sunday. There shall be three (3) consecutive days off. If the Boat Patrol Deputy serves as a Road Patrol Deputy, he or she will adhere to the above stated schedules. The shift hours and work week shall be established between the Sheriff and the Boat Patrol Deputy. The provisions of Article 3, Section 4a are waived by the Union. However, any work in excess of ten (10) hours in a day or forty (40) in the week shall be paid at time and one half times the Deputies hourly rate.~~

~~13.12.~~ Whenever feasible, the Finance Department will make available for pickup, before 4:30 p.m. on Wednesday of each pay period to authorized personnel as designated by the Sheriff, paychecks for fast-shift employees only. The checks will be secured until 7:00 a.m. Thursday at which time they may be released.

~~13.13.~~ Mileage Reimbursement

Sheriffs Office employees authorized by the Sheriff or Undersheriff to use their personal vehicles in the absence of a County vehicle will be paid the prevailing Internal Revenue Service business travel rate for the use of such vehicles.

~~453.14.~~ Mandatory On-Call

~~When the Sheriff requires that an Investigator must be available for work, the Investigator shall be compensated as follows:~~

~~EFFECTIVE: March 1, 2007 \$1.80 per hour; effective 3/1/08: \$2.00 per hour.~~

~~In addition to the above, the Investigator shall receive the regular hourly rate for actual time spent rendering services. The mandatory on-call rates will not be used to compute overtime.~~

~~Each Investigator or Senior Investigator who is placed "on call" during times when no Investigator is regularly scheduled to work, shall be provided with an unmarked police vehicle while "on call," at no cost to that employee. The Investigator who is "on call" shall be the Investigator contacted. The "on call" Investigator shall determine whether or not he/she is required to respond to the Sheriff's Office or crime scene, or will respond as directed by the Senior Investigator or Road Lieutenant. In the event the "on call" Investigator has to respond, he/she shall do so within one (1) hour of being contacted, and shall be compensated from the time the call was received, and travel time portal-to-portal, with a minimum of two (2) hours of overtime, and be covered during that travel time by General Municipal Law Section 207-c. In recognition for being placed "on call," each Investigator or Senior Investigator shall receive the following additional compensation:~~

<u>3/1/10</u>	<u>3/1/11</u>	<u>3/1/12</u>	<u>1/1/13</u>
<u>\$2.00/hr</u>	<u>\$2.00/hr</u>	<u>\$2.00/hr</u>	<u>\$2.00/hr</u>
<u>1/1/14</u>	<u>1/1/15</u>	<u>3/1/16</u>	
<u>\$2.10/hr</u>	<u>\$2.15/hr</u>	<u>\$2.20/hr</u>	

~~Each "on call" status shall be distributed equally to each Investigator and Senior Investigator. The "on call" scheduled shall be assigned and posted for each calendar month, at least thirty (30) calendar days prior to the effective schedule. The Investigator(s) and Senior Investigator shall be entitled to "switch" or "swap" their "on call" status with each other, with the prior approval of the Sheriff or designee.~~

~~IV.~~ **ARTICLE 4 - CIVIL SERVICE STATUS**

Civil Service status of bargaining unit employees will be in accordance with Local Law No. 4 of 1984 as specified in Exhibit F.

~~V.~~ **ARTICLE 5 - CIVIL SERVICE RULES**

A copy of the Tompkins County Civil Service Rules is available in the Tompkins County Personnel Department.

**VI. ARTICLE 6 - TIME CARDS**

Each employee's time card will be filled out in ink on a daily basis and signed by the employee on the last scheduled work day of the pay period except those employees on vacation or other authorized leave.

**VII. ARTICLE 7 - HEALTH INSURANCE**

7.1. Employees shall be covered by Blue Cross Blue Shield of Central New York under the Central New York Region-wide Plan, Option II, or a health maintenance organization, if available; such election is voluntary. Employees hired after February 4, 2016, shall enroll in the Greater Tompkins County Municipal Health Insurance Platinum 90 Plan with the same employer/employee cost sharing.

7.2. a) All employees who participate in the health care plan provided by Tompkins County automatically pay health care premiums with before-tax dollars. If an employee prefers to continue on an after tax dollars basis, he/she must complete a form electing that option and return it to the Personnel Department before the employee receives his/her first pay check.

b) The County will contribute 85 percent of the health insurance premium for single and family coverage. The employee will contribute 15 percent towards the health insurance premium for single and/or family coverage. These employees will also have access to a tax-exempt Voluntary Employee Benefits Association (VEBA) account. ~~in the amount of \$375 per year; as of 3/1/2007 that amount shall increase to \$400.00 per year for Road Patrol Deputies only.~~ VEBA funds are tax exempt money set aside for the purpose of enabling reimbursement for out-of-pocket medical expenses paid for themselves or their dependents up to the maximum account value. A VEBA is authorized by Internal Revenue Service Code 105(9). A VEBA is not a deferred compensation plan. As a result, there is no "cash out" clause. However, an inactive participant (one no longer employed by Tompkins County) is entitled to draw upon the full accumulated value of the benefit.

Representation shall be from the County and all labor unions with up to two representatives from each union and two from the County. The committee shall have the right to make recommendations to the County and the unions with regard to medical coverage options. #### **VIII. ARTICLE 8 - SCHEDULING**

~~8.1. As of March 1 and September 1 of each year, the Sheriff or his designee will post a schedule of holidays and vacations for the following six months. During the months of March and September employees may bid for holiday and vacation time during the posted six month period, with the most senior employee being given preference. After April 1 and October 1, no "bumping" by senior employees will occur and requests for holiday and vacation time will be granted on a first come, first served basis. Seniority will be defined as "all time in service".~~ As of November 1<sup>st</sup> of each year, the Sheriff or his designee will post a schedule of holidays and vacations for the following year. During the month of November, employees may bid for holiday and vacation time during the following year with the most senior employee being given preference. After November 30<sup>th</sup> no "bumping" by senior employees will occur and requests for holiday and vacation time will be granted on a first come, first served basis. Seniority will be defined as "all time in service."

8.2. The Sheriff or his designee may, at their sole discretion, grant the request of any two employees to exchange tours of duty or days off as long as the rotation schedule will allow and provided that in the opinion of the Sheriff or his designee they are equally capable of performing each other's respective jobs and able and willing to make the exchange. Neither employee shall gain any additional overtime pay as a result of such an exchange, regardless of total hours worked.

8.3. The Sheriff or his designee are authorized to approve and disapprove requests for time off.

#### **8.4. NOTICE**

An employee who has not bid his/her vacation and/or holidays as set forth above shall have to provide a minimum of 48 hours notice of the time off being requested. If a Deputy gives sufficient notice to the Sheriff for time off from his or her duties, and the granting of the time off does not create an overtime situation within that pay week or the relief deputy can fill the shift, and there will be at least three (3) Deputies left on the shift, the Sheriff will grant the requested time off. The exception to the foregoing three (3) person requirement is if a Deputy is on military leave, he or she is to be counted as if they were working their regular shift. Vacation and holiday time can not be used by a unit member as personal sick leave when the member has exhausted personal leave days or disability time. For family illnesses the Sheriff, at his or her discretion, may allow a unit member to use time from the unit member's vacation and/or holiday allotment.

#### **8.5. ROAD PATROL**

The annual shift schedule will be the basis for assignment of shift. If a vacancy occurs in the titles of Deputy Sheriff or Sergeant Deputy Sheriff of an expected duration of at least five (5) consecutive working days and the vacancy reduces the shift coverage below three (3); or if a vacancy occurs and reduces the shift coverage below the required staffing the Sheriff or his designee may reassign an officer from another shift.

\* Up to any two (2) employees of the “C” line tour of duty above may be “flexed” by the Sheriff or designee, for a workweek, with a minimum of forty eight (48) hours notice, for up to four (4) hours of the starting time (Example: flexed 3 ½ hours, work 6:30 p.m. to 2:30 a.m.)

All Sergeant(s) and deputy sheriffs who bid for or are assigned to the permanent tours of duty set forth above, shall work the following work schedule:

⊕ Five (5) consecutive days on, followed by two (2) consecutive days off, followed by Five (5) consecutive days on, followed by two (2) consecutive days off, followed by Four (4) consecutive days on, followed by two (2) consecutive days off, and repeat the cycle.

The Sheriff or designee may assign up to two (2) training days (16 hours), which shall be in blocks of up to a maximum of eight (8) hours, each calendar year to each employee who works the above patrol work schedule, without additional compensation, under the following conditions:

- Any of the above situations may be modified between a mutual agreement between the employee and the administration.
- The K-9 employee shall be assigned each year by the Sheriff or designee to one (1) of the above tours of duty, regardless of seniority, and before the annual bidding occurs.

**(See Attached Patrol Work Schedule Illustration)**

After the initial implementation, the annual bidding shall commence on or about November 1<sup>st</sup> through November 30<sup>th</sup> of each year effective January 1<sup>st</sup> through December 31<sup>st</sup> of the following year. The Sergeants and deputy sheriffs shall provide their selection to the Sheriff or designee (example: 1<sup>st</sup> "A" line, 2<sup>nd</sup> "B" line and 3<sup>rd</sup> "C" line). All bidding shall be by seniority as long as the employee has completed a minimum of twenty-four (24) months of full-time service as a deputy sheriff by the end of the completion of the annual bidding period as set forth herein. An employee who has not completed the minimum twenty-four (24) months as set forth herein, shall be placed on a tour of duty by the Sheriff or designee prior to the annual bidding until he/she has completed the twenty-four (24) months. The Sergeants shall bid first (1<sup>st</sup>), and then bidding by all other deputy sheriffs assigned to patrol duties. In the event there are an insufficient number of volunteers based on seniority, then the Sheriff or designee may assign Sergeant(s) and then deputy sheriffs in the inverse order of seniority to the "A," "C" and "B" lines until the staffing level determined by the Sheriff has been achieved. The assignment of a Sergeant(s), shall be by when he/she was appointed to the rank of Sergeant and of deputy sheriff based on their date of hire by the Employer. After receipt of all selections and based on the staffing levels determined by the Sheriff for all tours of duty as set forth herein, he/she shall provide and/or post the tour of duty granted based on the selections submitted by seniority or assigned involuntarily.

In the event a vacancy in any tour of duty occurs during the year due to promotion, or resignation, or retirement, or illness or injury which is not due to and/or incurred in the performance of duty where an employee has been out for at least fourteen (14) consecutive calendar days, or has notified the Sheriff or designee based on a medical provider indicating that he/she will be out of work over fourteen (14) consecutive calendar days, or has notified the Sheriff or designee based on a medical provider indicating that he/she will be out over fourteen (14) consecutive calendar days, or due to the severity of the illness or injury, the Sheriff or designee can determine that the absence will be over fourteen (14) consecutive calendar days, and the Sheriff or designee elects to fill that vacancy, he/she shall post the vacancy to be filled for a minimum of seven (7) consecutive calendar days prior to its filling, providing any Sergeant and/or deputy sheriff with the opportunity to volunteer, depending on the need determined (e.g., Sergeant(s) and/or deputy sheriff(s)), to fill the vacancy. In the event there are no volunteers, the Sheriff or designee may involuntarily assign the least senior Sergeant and/or deputy sheriff, depending on the need determined to fill the vacancy. In either case, voluntary or involuntary assignment, each employee shall receive a minimum of twenty-four (24) consecutive hours off from the end of the last tour of duty to the start of the tour of duty he/she is reporting to. Any employee who is voluntarily being reassigned, or is being assigned involuntarily, and who has had any previously approved paid leave (e.g., vacation, personal leave, etc.), shall have the option to have that leave re-credited or take the leave previously approved. In the event of an emergency, as defined by law, all timeframes herein are waived. The Sheriff or designee shall limit all involuntary assignments to fill a vacancy, except for the annual bidding, not to exceed sixty (60) consecutive calendar days.

The Sheriff may involuntarily re-assign an employee to another tour of duty, for a defined operational need, not to exceed sixty (60) consecutive days. In that event, the employee being involuntarily re-assigned shall receive a minimum of twenty-four (24) hours off from the end of the last

tour of duty worked, to the start of the tour of duty he/she is report to. Any employee who is being involuntarily assigned and who has had any previously approved paid leave (e.g., vacation, personal leave, etc.), shall have the option to have that leave re-credited or take the leave previously approved. At the conclusion of the defined operational need (e.g., 30 consecutive calendar days), the employee shall be returned to the tour of duty he/she was involuntarily removed from with the same conditions set forth herein (e.g., 24 hours and approved paid leave). No employee shall have his/her days off changed during the involuntary reassignment.

Notwithstanding the above, an employee who is injured or becomes sick due to his/her performance of duty who has been approved and granted General Municipal Law Section 207-c status, and has been out of work for at least sixty (60) consecutive calendar days and provides notice based on a medical provider that states the employee shall not be able to return to work for at least another thirty (30) consecutive calendar days or more, and the Sheriff elects to fill that vacancy, he/she shall follow the same procedure set forth herein regarding filling the vacancy. In the event of an emergency, as defined by law, all time frames herein are waived. The Sheriff shall limit all involuntary assignments to fill a vacancy, except for the annual bidding, not to exceed sixty (60) consecutive calendar days.

An employee may voluntarily agree to be removed from his/her scheduled tour of duty to attend a training seminar or class in lieu of working his/her scheduled tour of duty that day. In the event the employee voluntarily agrees to be removed from his/her scheduled tour(s) of duty, no involuntarily assignment shall occur.

During the year, January 1<sup>st</sup> through December 31<sup>st</sup> and in the event an employee seeks to switch his/her bidded or involuntary assignment to a tour of duty, he/she may seek a volunteer for the switch, subject to the approval of the Sheriff or designee, which shall not be unreasonably denied. In the event there is no volunteer, that employee shall remain on his/her tour of duty until the annual bidding occurs as set forth herein.

No employee shall be disciplined by the use of involuntary assignment to a tour of duty.

### **Part Time Employees**

Effective January 1, 2016, a part time employee as defined in Article 2 — Recognition, shall only be scheduled and used in addition to the complement of full time employees scheduled and working patrol tours of duty as set forth in this Article, pursuant to the following circumstances:

- Airport Duty; or
- Special Detail(s); or
- Transporting a prisoner(s); or
- The granting of compensatory time off; or
- Working a tour of duty or assignment when no full time employee voluntarily signs up to work overtime; or
- In the event the County contracts with another municipality in the County for the providing of police services and that municipality has a police force which utilized part-time officers, the county may utilize part-time deputies to fulfill the obligations of the contract; or
- In the event the County enters into a contract of one year or more with another municipality in the County for providing police services, and that municipality does not

currently have a police force, the County will assign full-time officers to regularly scheduled eight-hour tours of duty that extend four or more days per week, and may assign part-time deputies to regularly scheduled eight-hour tours of duty that extend 3 or fewer days per week.

Seniority shall be applied in the assignment of up to three (3), eight (8) hour tours of duty, twenty-four (24) hours maximum each week, except to grant compensatory time off as set forth herein. Seniority shall be defined as the date of hire, date sworn in, as a part-time deputy sheriff with the Employer. The Sheriff or designee shall notify the part-time deputy(s) of the tours of duty they are scheduled to work as soon as practical based on becoming aware of the need. In addition to the forgoing, a part-time deputy shall be entitled to attend any court or administrative proceeding due to his/her performance as a deputy sheriff (Examples: arrests, grand jury appearances, DWI refusal hearing, etc.), including any approved training, so long as the total number of hours in each workweek does not exceed forty hours.

The parties agree that all of the scheduling language and the use of part-time employees can be submitted to and eligible for interest arbitration as a mandatory subject of collective bargaining, and not subject to fact-finding.

a) Work Shift - Exceptions

Courthouse Duty, Boat Patrol, Crime Prevention, Narcotics Officer, Training Officer, Evidence Custodian, Traffic Officer, DWI Officer, Warrant Officer, and/or Fleet Manager, Civil Division, DARE, Juvenile Investigations, K-9, Airport, DWI Patrols, and SRO, all will have a regularly scheduled shift other than that specified in above. None of these assignments are bid for and are assigned directly by the Sheriff. In the event the "exception" is not a year around assignment, the employee reverts back to the Road Patrol work schedule and hours as defined in the collective agreement.

(b) Investigator's Shift

<u>Schedule</u>	<u>Tour/shift</u>	<u>Workweek</u>	<u>Days off</u>
<u>Senior Investigator</u>	<u>7AM - 3PM</u>	<u>Mon. - Fri.</u>	<u>Sat. - Sun.</u>
<u>Investigator Tour #1</u>	<u>7AM - 3PM</u>	<u>Mon. - Fri.</u>	<u>Sat. - Sun.</u>
<u>Investigator Tour #2</u>	<u>2PM - 10PM</u>	<u>Monday</u>	
	<u>8AM - 4PM</u>	<u>Tues. - Fri.</u>	<u>Sat. - Sun.</u>
<u>Investigator Tour #3</u>	<u>2PM - 10PM</u>	<u>Tues. - Fri.</u>	<u>Sun. - Mon.</u>

Flex time on Saturday starting between 7AM and 12PM for 8 continuous hours.

Investigators will bid for shift by seniority. Seniority will be defined as all time in the Criminal Investigative Division. The bids will occur prior to January and July of each year. The bid schedule will be for six months and implemented in January and July of each year at the end of a pay period closest to the beginning of the month. The Sheriff or his/her designee will have the authority to designate what tours are filled. The Sheriff or his/her designee will create and

maintain the schedule for an on-call Investigator. The Sheriff or his/her designee may choose to cover shifts that are unfilled with overtime or on-call.

When a temporary special need arises requiring the coverage of an investigator outside the shift hours set forth above, the Sheriff shall have the right to assign an Investigator to that temporary special need. When such need requires the services of an Investigator possessing specialized training, the Sheriff shall be allowed to call in that Investigator, based on the call-in procedures described.

c) K-9 Unit Shift Schedule:

During the initial K-9 training (which shall include but is not limited to tracking, patrol and narcotics detection), the schedule is five 8-hour days. After the initial training, the normal shift for the K-9 unit is four 10-hour days. On-going training will be conducted as part of the officer's regular tour of duty. The four ten hour a day shifts will be reduced by 1 hour and 15 minutes for each of the four days to account for the grooming time. When the K-9 unit is scheduled to work 5 eight-hour days, the K-9 unit will actually work seven hours per shift with an hour each day set aside for grooming. The set-aside time for grooming in both examples constitutes grooming time for the entire week. This will address the Fair Labor Standards Act time issue.

Grooming Time: An estimated average of not more than 5 hours per week is expected to be spent outside of the normal working hours for "grooming" the canine. Grooming includes, but is not limited to: feeding, walking, medicating the dog as necessary and appropriate brushing and similar work as directed by the dog's trainers and/or veterinarian.

In addition to grooming, the Tompkins County Sheriffs Office will provide a vehicle for the officer to transport the canine and to utilize for responding to calls. The Sheriffs Office will provide the necessary food, materials for shelter and other miscellaneous and sundry items required for performing the K-9 Unit function.

e) Boat Patrol Shift Schedule:

During the boat patrol season, the Union agrees the shift hours for the Deputies manning the boat patrol shall be ten (10) hour shifts of either, 10 AM – 8 PM, 11AM – 9 PM, or 12 PM to 10 PM, within a four (4) day work week of either Friday through Monday or Thursday through Sunday. There shall be three (3) consecutive days off. If the Boat Patrol Deputy serves as a Road Patrol Deputy, he or she will adhere to the above stated schedules. The shift hours and work week shall be established between the Sheriff and the Boat Patrol Deputy. The provisions of Article 3, Section 4a are waived by the Union. However, any work in excess of ten (10) hours in a day or forty (40) in the week shall be paid at time and one half times the Deputies hourly rate.

d) Vacancies (encumbered positions) may be due to disability, other types of leaves of absence, suspension, termination, vacation and holidays, retirement, or resignation. Both parties recognize that a permanent vacancy may result in hiring a new officer and the training period of six (6) months creates a vacancy which meets the criteria for reassigning an officer from another shift.

e) Employees will be given a minimum of forty-eight (48) hours advanced notice of change in shift assignment.

(f) At the end of the six (6) months, if the vacancy continues, the shift change will be re-bid. If the vacancy continues for more than one (1) year, the parties agree to schedule a meeting to discuss the vacancy and assignment of the duties.

(g) The re-assignment of shift will be conducted using the following criteria:

The Sheriff or his designee will review the shift assignments when a vacancy of five (5) or more working days is expected to occur.

- ii) The shift(s) with more officers assigned will be identified and officers of the identified shift(s) will be contacted in order by seniority and asked to change shift.
  - iii) The officer with the least seniority is required to accept the change of shift if a voluntary shift change has not been completed based on seniority.
- h) The Sheriff agrees to maintain a record of shift changes resulting from these re-assignments, including the reason and placement, and to provide the information to the Union upon their written request. This information will be retained for ten (10) business days.
- i) The Sheriff or designee may reassign an employee for training, as follows:
- i) The employee is provided a minimum of 48 hours notice of this schedule change.
  - ii) In the event that training includes travel time, for employees with a 40.0 hour work week, time and a half will be paid for all hours worked over 8 hours in a 24 hour workday, as defined by the shifts in this contract, or for hours worked when an employee is called in to work on his/her regularly scheduled day off., time and one-half will be paid, as appropriate.
  - iii) In the event the employee has previously approved time off (i.e., vacation, holiday, compensatory time or personal leave), he/she shall not be rescheduled for training without the consent of that employee.

#### CALL-IN PROCEDURES

Call-in will be by seniority (most senior first). Seniority will be the last hire date in the Sheriff's Office. The employees shall rotate on list. If an employee does not answer (the phone) or is called and comes in, the employee goes to the bottom of the list. The least senior employee must accept the call.

For call-in requiring an employee with special training/certification, he/she will be called by seniority from among those having the training/certification.

Call-in will be by division for full time employees -- Clerical/Civil, Road Patrol and Investigation.

Effective 11:59 PM on 2/29/2008, any employee called into work shall receive a minimum of two (2) hours off overtime pay. Said employee shall be required to stay at work and perform assigned work for the duration of the call-in unless otherwise released by a supervisor. If an employee completes the assignment before two hours and is otherwise released by a supervisor said employee will be entitled to a minimum of two (2) hours of overtime pay.

Employees assigned to road patrol will have a seniority, date as of the date assigned to road patrol.

When a unit member is not working due to disability, 207-C or vacation, they shall not be called for any overtime duties. Unit members on personal leave (other than sick leave) or holiday leave are eligible for

call-in except if the needed overtime coverage, or any part thereof, would fall during the unit member's regular shift hours. However, the employee will not lose his/her position in the call-in book. Call-ins shall be authorized only by the Sheriff, Undersheriff or the Sheriffs designee. Overtime for shift coverage shall be authorized only by the Sheriff.

Exclusions:

1. Extensions of shifts (holdover for any reasons) which are up to four hours prior to the start of a scheduled shift or up to four hours after the end of a regularly scheduled shift.
2. Training immediately following or preceding a scheduled shift.
3. Non-mandated training.

Employees may avail themselves of personal leave in hourly blocks to cover the aforementioned

circumstances.

15.5. Personal leave is to be used any time an employee needs or wants time off for any reason. Unless it is for an emergency, this must be submitted for approval to the Sheriff or his designee at least 48 hours in advance. This leave shall not be unduly denied. However, the Sheriff or his designee shall have the right to limit the number of employees on leave at any one time. If a deputy gives sufficient notice to the Sheriff for time off from his/her duties and the granting of the time off does not create an overtime situation within that pay week, or the relief deputy can fill the shift, and there will be at least three deputies left on the shift, the Sheriff will grant the requested time off. The exception to the foregoing three person requirement is that if a deputy is on military leave, he or she is to be counted as if they were working their regular shift.

This disability form must be received in Personnel within the two week pay period disability is claimed:

Effective August 14, 2003

Up to one year	15	120
One year	25	200
Two years	50	400

Five years and above	120	960

- b) For each additional two-week period of absence, the employee will submit a new doctors statement before receiving his/her disability/sick leave pay.

~~**XVI. ARTICLE 16 - BENEFITS UNDER SECTION 207(c) OF THE GENERAL MUNICIPAL LAW 207-C PROCEDURE (FOR DEPUTY SHERIFFS ONLY)**~~

See Exhibit "G" for Section 207-c Policy

~~Employees covered under Section 207(c) injured or incurring illness in the performance of duties shall receive wages and medical and hospital expenses, as outlined in Section 207(c) of the General Municipal Law but shall not receive holidays, vacation or sick time. If they had health insurance coverage, they shall be allowed to continue health insurance benefits.~~

~~Effective January 1, 2016, for the purposes of applying GML §207-c to a part-time Deputy who is retired and collecting a retirement allowance from either the New York State and Local Employees Retirement System (NYSLEERS), or the New York State Police and Fireman's Retirement System (NYSPFRS), it is agreed that because that individual is no longer a member of the retirement system they are, therefore, ineligible to apply for and/or receive a disability retirement and both the individual and the employer are unable to effectuate the purposes of §207-c when an injury or an illness incurred in the performance of duty has become permanent. Any such illness or injury that is deemed permanent by the employer's physician shall result in the discontinuation of any wage supplements being paid to the individual pursuant to the provisions of §207-c. An injury which has a downtime of 26 weeks (or more) shall be deemed permanent for purposes of wage supplementation. Any such individual who may be employed by the County shall execute an acknowledgment and waiver of §207-c wage supplements in furtherance of this provision.~~

~~For the purpose of applying GML §207-c to a part-time Deputy for the payment of "regular salary or wages," he/she shall be paid based on the average number of hours worked during the year (52 weeks) immediately preceding the injury and/or illness, except in no event shall the individual be entitled to more than a wage payment greater than 20 hours times the regular hourly rate being paid to that individual. (NOTE: The 52 weeks shall be used if that part-time Deputy was "employed" during that entire period. In the event the part-time Deputy began employment less than 52 weeks prior to sustaining the injury or illness, then the average number of hours to be used would be calculated by dividing the total hours worked by the number of weeks the part-time Deputy was employed, subject to a maximum of 20 hours per week multiplied by the regular hourly rate).~~

~~The term "employed" shall be applied as follows: During the preceding 52-week period while appointed as a part-time Deputy the individual worked 260 hours regardless of how/when the hours were worked.~~

The average number of hours worked per week was 5 and that is what 207-c compensation will be based upon.

In the event that the Sheriff learns of an allegation of employee misconduct which generates concern for the safety and welfare of other employees or the public, the Sheriff may suspend the employee against whom the allegations are made, with pay, up to thirty days in order to further investigate the allegation. If the allegation proves unfounded, all records of the allegation shall be destroyed and the employee shall immediately return to active duty with no loss of pay, benefits or other benefits. If, after further investigation, the Sheriff believes the allegation to be substantiated, disciplinary action may be taken pursuant to this Article. The Union President shall be advised, prior to any investigatory interviews, the names of the employees to be interviewed and the date and location of said interviews.

### **Section 4 Rights To Representation**

Prior to an employee being summoned to a meeting with the Sheriff or the County for matters of discipline or discharge, or for investigations concerning same, the employee will be made aware that she/he has the right to Union representation and the issue to be discussed at the meeting. The employee, by written communication to the Sheriff and the Union President, may waive the right to Union representation. Except in extremely extenuating circumstances the Sheriff shall provide the employee with twenty-four (24) hours notice of the meeting.

### **Section 5 Statute of Limitation**

No discipline or other action against an employee shall be commenced more than eighteen (18) months after the alleged misconduct or incompetency complained of.

### **Section 6 Personnel File**

The employer shall keep one official personnel file on each employee. The file shall be kept at the Personnel Department and is not to be considered a public document open to the general public. Whenever any material is to be placed in an employee's file, she/he will be notified, by the Sheriff,

prior to the placement, and if the material is derogatory in nature, the employee will have the right to confront the said author of said material before it is placed in the file. Further, the employee may write a response to the derogatory material, or may grieve it if the County places it in the employee's file over the objections of the employee. After a period of eighteen (18) months the derogatory material shall be expunged from the file.

The employee or his/her designee shall have the right to review the contents of his/her file by giving, at least, twenty-four (24) hours notice. The employee or his/her designee shall be given copies of all documents that are placed in the employee's personnel file. Except in cases where litigation is pending, the employee who requests a copy of their file must pay the County twenty-five (\$.25) cents per page for additional copies over the initial copy.

### **Section 7 Procedures For Notice To Discipline**

Where the Sheriff, upon further investigation, has probable cause to believe that an employee is guilty of misconduct or incompetency, the Sheriff shall initiate disciplinary action by serving upon the employee a Notice of Discipline (See Appendix 1). This Notice shall contain all charges, supporting specifications and the penalty being sought. Within twenty-four (24) hours of service of the Notice of Discipline upon the employee, the President of the Union shall be provided with a copy of the Notice.

In addition to the Notice of Discipline, the employee will also be served with a Notice For Arbitration (See Appendix 2) and Notice of Hearing Waiver (See Appendix 3) forms.

Within ten (10) days of receipt of the Notice of Discipline, the employee shall serve upon the Sheriff either a Notice of Hearing Waiver or Notice For Arbitration form.

Upon failure by the employee to provide to the Sheriff either the Notice For Arbitration or Notice of Hearing Waiver within the ten (10) days, the charges shall be deemed sustained and the penalty being sought may immediately be imposed.

Should the employee serve the Sheriff with a Notice For Arbitration, with suspension or discharge as the penalty being sought, the employee will be suspended with pay and benefits.

### **Section 8 Discovery**

If no briefs are required or requested the hearing will be deemed closed at the conclusion of oral arguments.

The arbitrator shall have thirty (30) calendar days to render a decision which shall be final and binding upon all parties to the arbitration. Copies of the Decision and Award shall be mailed to the parties' representatives.

In non-discharge cases, the Department must establish the employee's guilt by a preponderance of the evidence. In discharge cases, the Department must establish the employee's guilt by clear and convincing evidence.

SECTION 4. Liability Assumed by the County of Tompkins

Any omission or act of any employee of the County in the office of the Sheriff done or made in the performance of an official duty or for the performance of which the County is paid or receives compensation or fee shall be the omission or act of the County. **EXHIBIT G**

**207-c. Payment of salary, wages, medical and hospital expenses of policemen with injuries or illness incurred in the performance of duties**

1. Any sheriff, undersheriff, deputy sheriff of the Sheriffs Office of any county (hereinafter referred as a "policeman") or any member of a police force of any county, city of less than one million population, town or village, or of any district, agency, board, body or commission thereof, or a detective-investigator employed in the office of a district attorney of a county not contained within a city with a population of over one million persons, who is injured in the performance of his duties or who is sick as a performance of his duties so as to necessitate medical or other lawful remedial treatment shall be paid by the municipality by which he is employed the full amount of his regular salary or wages until his disability arising there from has ceased, and, in addition such municipality shall be liable for all medical treatment and hospital care necessitated by reason of such injury or illness. Provided, however, and notwithstanding the forgoing provisions of this section, the municipal health authorities or any physician appointed for the purpose by the municipality, after a determination has first been made that such injury or sickness was incurred during, or resulted from, such performance of duty, may attend any such injured or sick policeman, from time to time, for the purpose of providing medical, surgical or other treatment, or for making inspections and the municipality shall not be liable for salary or wages payable to such policeman, or for the cost of medical treatment or hospital care furnished after such date as health authorities or physician shall certify that such injured or sick policeman has recovered and is physically able to perform his duties. Any injured or sick policeman who shall refuse to accept medical treatment or hospital or shall refuse to permit medical inspections as herein authorized, including examinations pursuant to subdivision two of this section in respect to expenses for medical treatment or hospital care rendered and for salary or wages payable after such refusal. Notwithstanding any provision of law to the contrary, a provider of medical treatment or hospital care furnished pursuant to the provisions of this section shall not collect or attempt to collect reimbursement for such treatment or care from any such policeman, a member of a police force of any county, city or any such detective-investigator.

2. Payment of the full amount of regular salary or wages, as provided by subdivision one of this section, shall be discontinued with respect to any policemen who is permanently disabled as a result of an injury or sickness incurred or resulting from the performance of his duties if such policeman is granted an accidental disability retirement allowance pursuant to section three hundred sixty-three of the retirement and social security law, a retirement for disability incurred in performance of duty allowance pursuant to section three hundred sixty-three-c of the retirement and social security law or similar accidental disability pension provided by the pension fund of which he is a member. If the application for such retirement allowance or pension is not made by such policeman, application therefore may be made by head of the police force or as otherwise provided by the chief executive officer or local legislative body of the municipality by which such policeman is employed.

3. If such a policeman is not eligible for or is not granted such accidental disability, retirement allowance or retirement for disability incurred in performance of duty allowance or similar accidental disability pension and is nevertheless, in the opinion of such health authorities of physician, unable to perform his regular duties as a result of such injury or sickness but is able, in their opinion, to perform specified types of light police duty, payment of the full amount of regular salary or wages as provided by subdivision one of this section, shall be discontinued with respect to such policeman if he shall refuse to perform such light police duty if the same is available and offered to him, provided, however, that such light duty shall

be consistent with his status as policeman and shall enable him to continue to be entitled to his regular salary and wages, including increases thereof and fringe benefits, to which he would have been entitled if he were able to perform his regular duties.

4. The appropriate municipal officials may transfer such a policeman to a position in another agency or department where they are able to do so pursuant to applicable civil service requirements and provided the policeman shall consent thereto.

5. If such a policeman is not eligible for or is not granted an accidental disability retirement allowance or retirement for disability incurred in performance of duty allowance or similar accidental disability pension, he shall not be entitled to further payment of the full amount of regular salary or wages, as provided by subdivision one of this section, after he shall have attained the mandatory service retirement age applicable to him or shall have attained age or performed the period of service specified by applicable law for the termination of his service. Where such a policeman is transferred to another position pursuant to subdivision four of this section or retires or is retired under any procedure applicable to him, including but not limited to circumstances described in subdivision two of this section or in this subdivision, he shall thereafter, in addition to any retirement allowance or pension to which he is then entitled, continued to be entitled to medical treatment and hospital care necessitated by reason of such injury or illness.

6. Notwithstanding any provision of law contrary thereto contained herein or elsewhere, a cause of action shall accrue to the municipality for reimbursement in such sum or sums actually paid as salary or wages and or for medical treatment and hospital care against any third party against whom the policeman shall have cause of action for the injury sustained or sickness caused by such third party.
