

RPS Subcommittee- Meeting #8

C- Data Analysis & Research Data Recommendations

Thursday, December 30, 2021 | 6:00-7:30pm ET

GOALS:

1. Identify what data is currently captured.
2. Identify what data needs to be captured moving forward.
3. Identify possible research questions.
4. Identify what technology is needed.

AGENDA:

Welcome | **Deanna Carrithers**

-Subcommittee agreements

Review of 4 Goals |

- What do we have answers to?
- What do we still need to work on?
- Any additional stakeholders?

IT follow up |

- Which modules we use
- What data is collected in the area?

Next - up |
